

**REMARKS**

Applicants and Applicants' attorney express appreciation to the Examiner for the courtesies extended during the recent interview held on June 6, 2007. Reconsideration and allowance for the above-identified application are now respectfully requested. Claims 1-26 are pending, wherein claims 1, 2, 4, 16 and 26 have been amended.

As discussed and agreed to during the examiner interview, claims 1 and 26 as amended overcome the enablement rejection under 35 U.S.C. § 112. Claim 2 was amended to reflect subject matter added to claim 1. Claims 4 and 16 were amended to better maintain proper antecedent basis relative to the term "fluorine". Accordingly, Applicants submit that the application is in condition for allowance.

In the event that the Examiner finds remaining impediment to a prompt allowance of this application that may be clarified through a telephone interview, the Examiner is requested to contact the undersigned attorney.

Dated this 11<sup>th</sup> day of June 2007.

Respectfully submitted,
